Tom Kinnan

Consulting Specialties
TIPs Pastor

Tom and Kathy Kinnan have been married 45 years and have two married children and six grandchildren. Prior to retiring, Kathy taught middle school at Whitefield Academy, a Christian classical education school, and puts up with a weird and wacky husband.

Tom comes to us with a depth of knowledge and experience. With 41 years of pastoring, and 45 years of ministry, Tom brings a depth of knowledge as well as a tenderness and compassion to his presentations. Known for his insight, humor and challenging teaching, you will find his presentations to be anointed of God. Tom has traveled internationally as a speaker at colleges, churches, conventions, retreats and camps. He has extensive experiences in servicing mission fields and missionaries.

Tom's heart is to see people in the church become equipped to live their lives fully devoted to Christ in the community where God plants them to be a light. He does not want to maintain a church but wants it to be a living and growing body of believers.

Tom is the Founder and President of Good Shepherd Ministries and serves with New Church Specialties as an interim pastor.
