|------|------------------------|

| | |
|------------------|-------------|
| Victoria Eggeman | TIPs Pastor |
|------------------|-------------|

Victoria utilizes her broad base of ministry and life experiences to support small churches in need. She uses her expertise, in areas such as team building, organization, ministry development, project leadership and temporary fulfillment of critical roles such as worship leading, pulpit filling or teaching.”

Victoria, an almost-native New Englander, relocated to the Columbus, Ohio area in 2017. She has held credentials with the Assemblies of God since 2002. Over the span of two decades, she has ministered across many departments of Church ministry and in a variety of denominations. Her husband of 19 years, Rob, is a Global Service Director for Mettler Toledo. She and Rob began their family many years ago by fostering a teenage sibling set; they later adopted Amanda (31) and Patrick (29). Juliana (13) and Aaron (10) were eventually born to the couple. Added to this mix are three grandchildren: Kyler (10), Kaylee (8), and Charli (3).

Victoria, having already discovered her love for interim ministry, joined NXT in January 2020.

She is willing to fill any ministry position in a part time capacity. She works with churches who are within an hour driving distance from Columbus.
