Lonnie Bullock	NCS Executive Director 480-682-8516 LBullock@yourncs.org

Lonnie Bullock, NXTStep Church Services Executive Director. Lonnie has served as a youth pastor, associate pastor and lead pastor for 28 years in Michigan and Indiana. He successfully led the last church he served in Munster, IN through the ReFocusing process two times during his 10 year tenure. The Munster church was three churches that merged to form a new church. The church moved toward increased health during each refocus in remarkable ways and the attendance increased from 125 – 300.

For two years he served as the Mission Development director for the Northwest Indiana District Church of the Nazarene overseeing the efforts of the district in Refocusing, Restarting and planting new churches.

Lonnie joined the staff of NCS as a Senior Consultant in 2000. In December 2010 he was selected to become the 2nd executive director of NCS after serving for several years as the Chief Operations Officer. His areas of specialties include Church Health, Strategic Planning, Assessments (church and individual), Coaching NewStarts, ReFocusing and ReStarts. He has trained thousands of pastors and church leaders in implementing church health strategies and ReFocusing.

He has personally coached over 150 pastors through the NewStart, ReFocus and ReStart process and worked with dozens of movement leaders in the area of assessment and development of action plans to move into God's future. He has extensive training and skill in doing behavioral interviewing assessments and church assessments. He oversees the assessment training events for NCS. He works with several judicatories/districts helping them develop strategies for implementing a church health multiplication movement. NCS has worked congregations around church health with a focus on developing strategy to move to increased health.

He has led the TIPS ministry for the past 15 years working with hundreds of churches in pastoral transitions along with over 50 pastors who have been a part of the TIPS team.

He is a graduate of Olivet Nazarene University with a BA in Theology and a Master's Degree from Olivet in Counseling. He is also a graduate of the Church of the Nazarene's School of Large Church Management.

He and his wife Karen live in Nampa, ID. Karen works for NCS as an administrative assistant. Lonnie and Karen have two daughters. Their oldest daughter Kristie lives in Florida. She is also

the mother of their grandson who currently lives in Nampa, ID. Their youngest daughter, Kasie is married to Adam, and they live in Nampa, ID with their four children.
