Jerry Jones	TIPs Pastor

One of the most important things I can tell you about myself is that in the middle of my senior year of high school, God began to work on my heart, and I felt His leading to go to Ozark Christian College and study for the ministry. I knew He wanted me to be a Youth Pastor and reach kids with the message and love of Jesus.

Over the last 43 years of ministry, not only did that happen, but He also allowed me to lead others in Worship, Community groups, Outreach and Evangelism. I think all that laid the foundation for me to eventually become a Lead Pastor.

My passions are evangelism, discipleship, worship among others. I love to see people come into a relationship with Jesus. I love to help people grow in their walk with Jesus. And I love leading people in the worship of God.

My wife, Lucy and I have been married for 43 years and we have 2 amazing boys and 7 wonderful grandkids. My hobbies are golf, tennis and walking with Lucy.
