TIPs Pastor

Eric Norris was raised on a Kansas farm and spent most of his early life there where he learned life's most important lessons, surviving and common sense from his parents and 6 siblings. Married for 27 years he lost his wife Robin to cancer in 2019. He recently pulled his roots and relocated to Florida to start a new chapter in life. Together Eric and Robin have 4 children, 9 grandchildren and 1 great grandchild!

Eric has enjoyed multiple careers including music education, coaching, insurance consultant, Medicare specialist and currently holds his security license and most recently has worked as a benefits and retirement specialist.

Eric (finally) answered the call to fulltime ministry and has served as a youth pastor, worship leader, lead pastor and church planter in his ministry career. He also served as the Assistant District Superintendent for the Kansas District of the Wesleyan Church focusing on church planting. He is also a certified Wesleyan coach.

Eric has a passion for helping churches in transition and began serving as a T.I.P.s pastor in 2013 serving in Portland, ME., Amherst, NY., New Berlin, WI., and Eden, NC. He took a break from the T.I.P.s ministry from 2016 through 2022 to care for Robin as she battled cancer. He has now rejoined NCS and looks forward to serving again.
